N.B.—The reason of so few discharges of bills of sale, &c., being registered is mainly owing to the difficulty of proving the certificate of satisfaction as required by the Act (No. 8 of 5th Vic.), viz., the acknowledgment by the mortgagee of his signature to the certificate of satisfaction or proof of execution by said mortgagee by one of two witnesses upon affidavit before the Registrar-General or his deputy. For this reason the greater portion are allowed to lapse.

a In October, 1870, the duty on beer was raised from 6d. to 9d. per gallon.

b In October, 1870, the duty on coffee was raised from 1d. to 2d. per lb.; and in September, 1876, was again raised to 3d. per lb.

c In October 1870, the duty on dried fruits was slightly reduced from 10s. per cwt. to 1d. per lb., but was raised to 2d. per lb. in September, 1876.

d The duty on hops was 2d. per lb. for the whole of the above period, until September, 1876, when it was raised to 3d. per lb.

e The duty on spirits has not been altered, except that, from October, 1870, no allowance has been made for underproof, and reputed gallons have been charged as such; but these alterations would not account for any very great portion of the increased revenue.

f The duty on sugar, although altered for a time from 3s. per cwt. to 2s. 9d. per cental, has remained about the same.

g The duty on tea has been 3d. per lb. throughout.

h In October, 1870, the duty on manufactured tobacco was raised from 1s. 6d. to 2s. per lb., and on cigars and snuff from 4s. to 5s. per lb.

i In October, 1870, the duty on wine in wood was raised from 2s. to 3s. per gallon, and in September, 1876, from 3s. to 6s. per gallon on sparkling wine, and to 4s. per gallon on all others.

* Loan raised by Colonization Commissioners. † Aid from Imperial Government. ‡ Aid to Revenue by issue of Bond and Treasury Bills.
§ Immigration ceased in these years.

NOTE.—Prior to 1851, all remittances to the Land and Emigration Commissioners were carried to account by the Colonial Treasurer as sums *expended* on Immigration, and the receipts in England by the Land and Emigration Commissioners were never included in the accounts of the Colony—an adjustment of accounts was, however, made in the year 1853.

* The inmates comprised in this return may be classed as follows, namely—Aged and infirm, sick and deserted children. No able-bodied person is at any time admitted into the Destitute Asylum.

† All the male adults specified in this return were relieved in consequence of sickness, on a medical certificate. Many of the females received out-door relief from similar causes. The remainder, with the whole of the children enumerated in the table, were relieved in consequence either of the death of the husband, or the desertion of the family by the husband.

These numbers include the relief granted in country districts through the auxiliary boards, which are not included in any previous year in the above returns.

J. M. SOLOMON, Chairman Destitute Board.
